Before proceeding into the building please answer the COVID-19 questions below. If you answer yes to any of the questions, please call 407-467-0542 and wait for further instructions prior to entering the building.

1. Are you currently experiencing or have experienced in the last 14 days signs or symptoms of Covid-19?
2. Have you had a temperature reading above 100°F or 38.7°C within the last three hours?
3. In the past 14 days have you been in close contact (within 6ft for at least 15 minutes) with anyone who has tested positive or show symptoms of Covid-19?
4. Are you awaiting test results from a Covid-19 test?

A10

Everyone's Safety is Important to GES

Please adhere to the following:

- ▶ All trucks must be checked.
- ▶ All cones must be in place before loading or unloading.
- ▶ The chock and cone program is the sole responsibility of dock personnel.

A11

Caution: WORK ZONE

Be aware of your surroundings and follow safety procedures.

A12

Safety is No Accident

Be aware of your surroundings and follow safety procedures.
